Security Statement

I understand that I will be violating Texas A&M University and Division policy if I gain or help others gain unauthorized access to, or provide information from, the Division's computing resources for reasons other than the explicit purpose of this access.

By signing this Security Statement, I acknowledge my responsibility for adhering to this Texas A&M University policy concerning network access, and software/hardware usage and state and federal law. I am also aware that penalties exist for unauthorized access, unauthorized use or unauthorized distribution of information/software from Texas A&M University resources.
